

ZERO Maple Topping brings zero-calorie perks to the table. With a thick texture and real maple extract flavoring, ZERO Maple Topping can be used just like good old Maple Syrup. Put it on your pancake, yogurt, or whatever you want.

(many people can get confused and think that ZERO Maple Syrup and ZERO Maple Topping are the same and then they get the Maple Syrup for coffee and put it on their pancake and don't like it so just be very clear)

Volume: 550ml

Price: Rp149K
